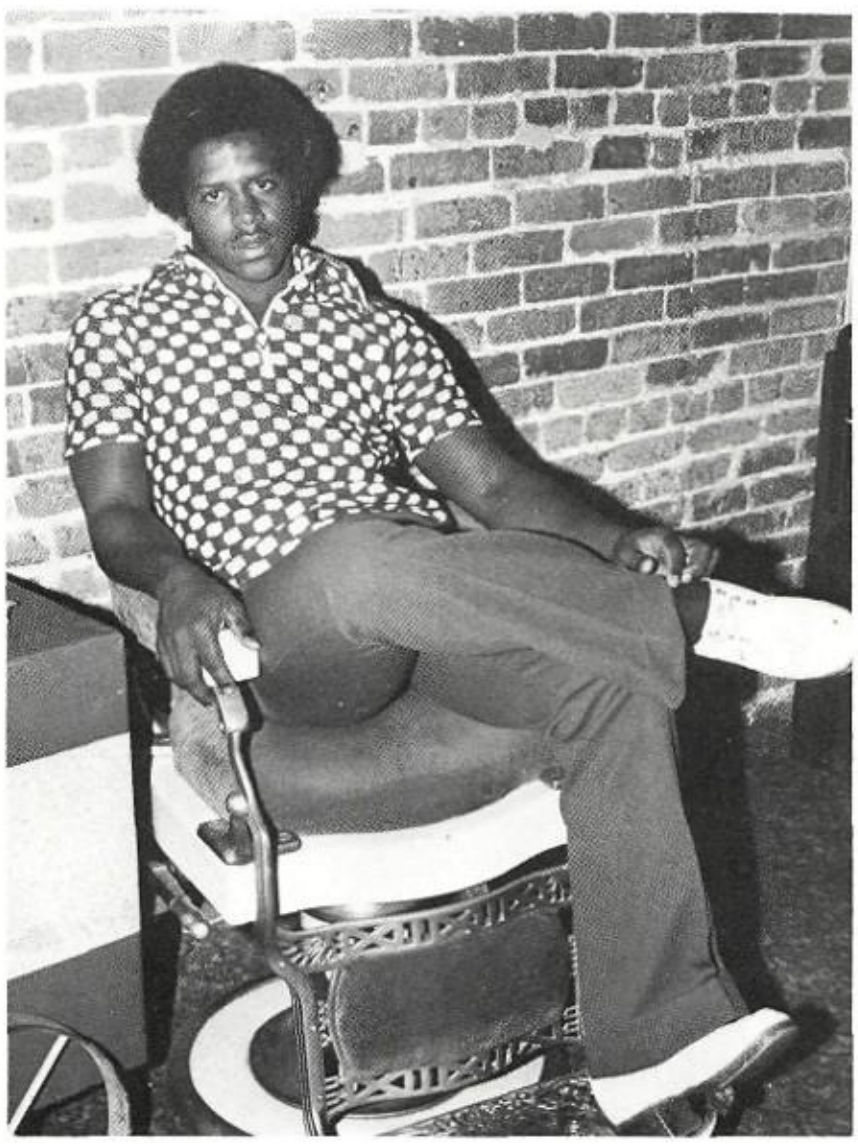
mr. and miss fair park
rachel scott
harold williams

the sequoyah staff chose mr. and miss fair park. the choice was made on the basis of pride in fair park, academic achievement, maturity in behavior and most of all . . . good character. this was not a popularity contest as our decision reflects. we hope the student body understands our goals and agree that a good selection was made.

rachel served fair park well this year as head cheerleader. this required long hours and hard work. in addition she served as treasurer of the student council, a key club sweetheart, intra-school club council, cafeteria worker, z club, and participated in national honor society. the list of her activities is too lengthy but we feel no one can doubt her sincerity and dedication when it comes to fair park. a real winner, our pick for miss fair park.



having played 3 years on the football team harold's career at fair park culminated by him being chosen for the 1974 all city team. he has dedicated much time and effort towards this goal. his position was guard on the team.

in addition to football he was a member of the fellowship of christian athletes and was an office worker also. we are proud to honor harold as we feel he has lived up to the standards of this recognition.

EXIT

district 1-aaaa champions, class aaaa state runner-ups 12-2-1

tribe runs over falcons, 32-15
the indians unleashed a new weapon against the falcons, the indians shucked their passing game in favor of the run, and ran over northwood.

indians beat flyers, 6-2
the only touchdown came on a 66 yard pass to joyner. flyers drove for a first and goal at the indian 4 but then the wrecking crew buckled down. after 7 plays the only score was a voluntary safety by fair park.

over northwood 40-0
third straight win with carroll good for 59 yards rushing and jackson 27 yds. and 2 tds.

we squelch raiders 15-0
huntington couldn't circle its wagons fast enough.

knights fall 21-0
it was certainly a bad night for the knights.

vikings fall by 22-6
it ran fair park's record to 7-0, best start in at least 30 years.

14-13 steal by shreve
the 14-13 decision over fair park in the battle of the unbeatens — the "game of the year" and you had to be there to understand what happened.

tribe ambushed cowboys 14-7
bascom, cottrell, solice, and joyner made the big plays as the cowboys met the big dudes from fair park.

jackets burned by indians
the old fire between byrd and fair park burned once again as the indians beat them 35-6.

playoffs

1. the win over the vikings was our win number 10 and number 1 in the playoffs. the final score was 21-0. the crew held airline to minus 9 yards and 60 yards total offense.

2. fair park defeated bastrop 14-0. carroll picked up 121 yards on 18 carries for fine rushing performance. this was our first road game and if we weren't on the warpath when we left shreveport we sure got on it when we left "ram country."

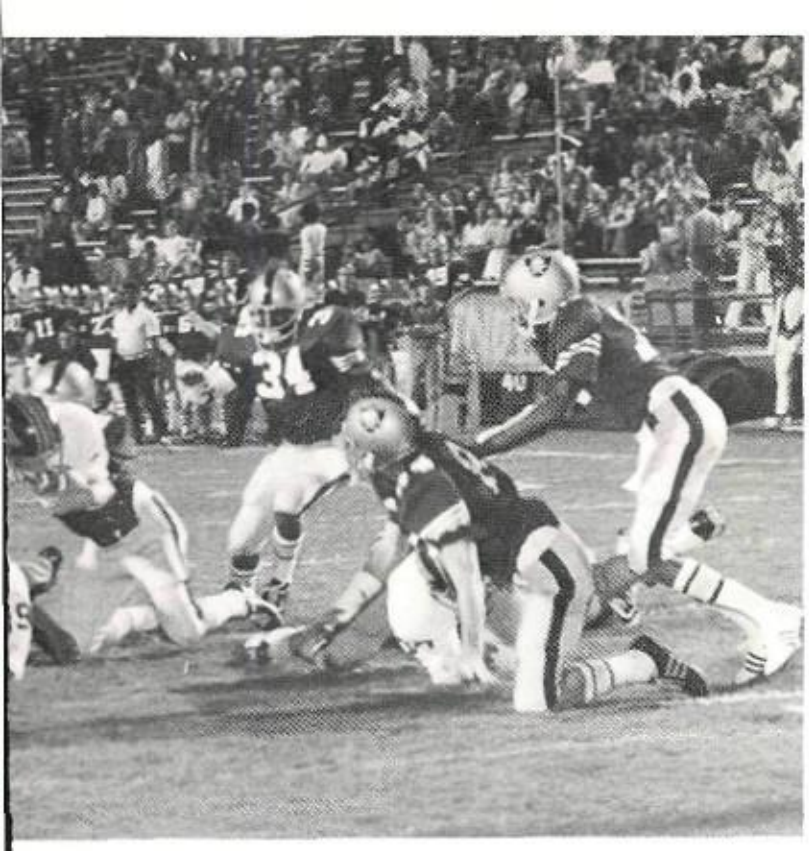
3. indians advanced on first downs. whatever sulphur needed to win class aaaa quarterfinal game, they still need it, cause we left them as losers.

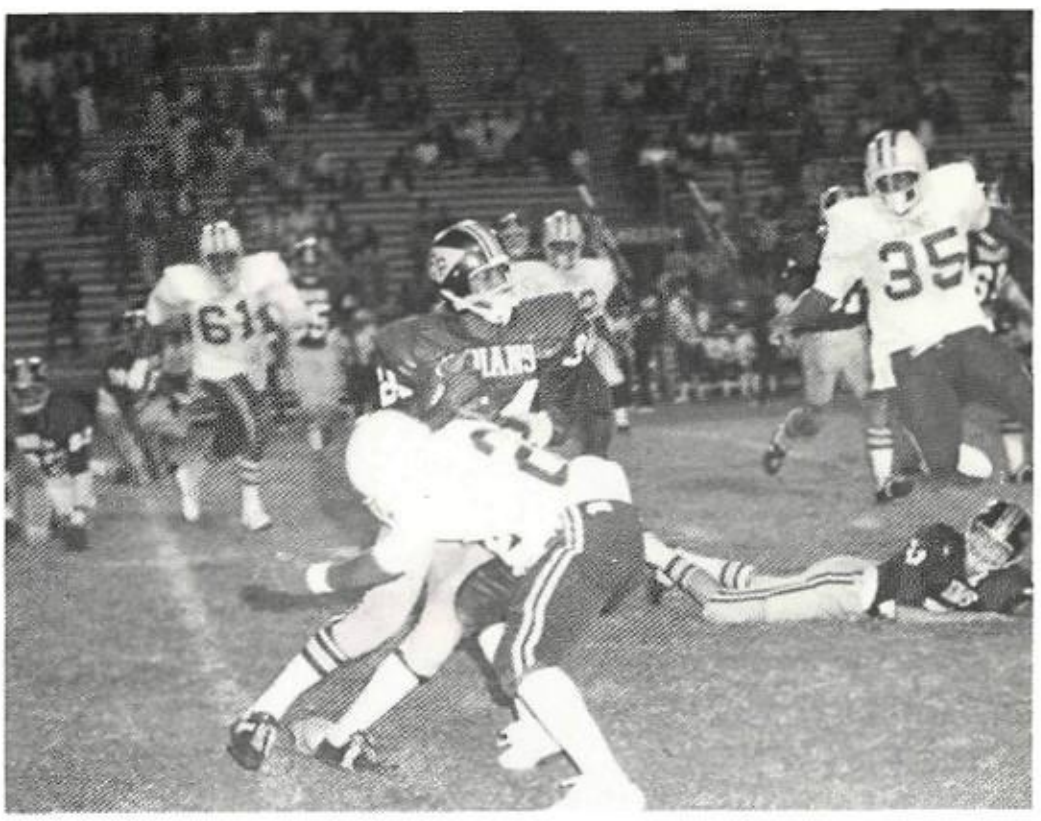
4. fair park over rummel, 7-0. mark carroll's five yard run on 4th and 3 and fuller's extra point was all the scoring. the td turned things over to the crew, and as usual they were in good hands.

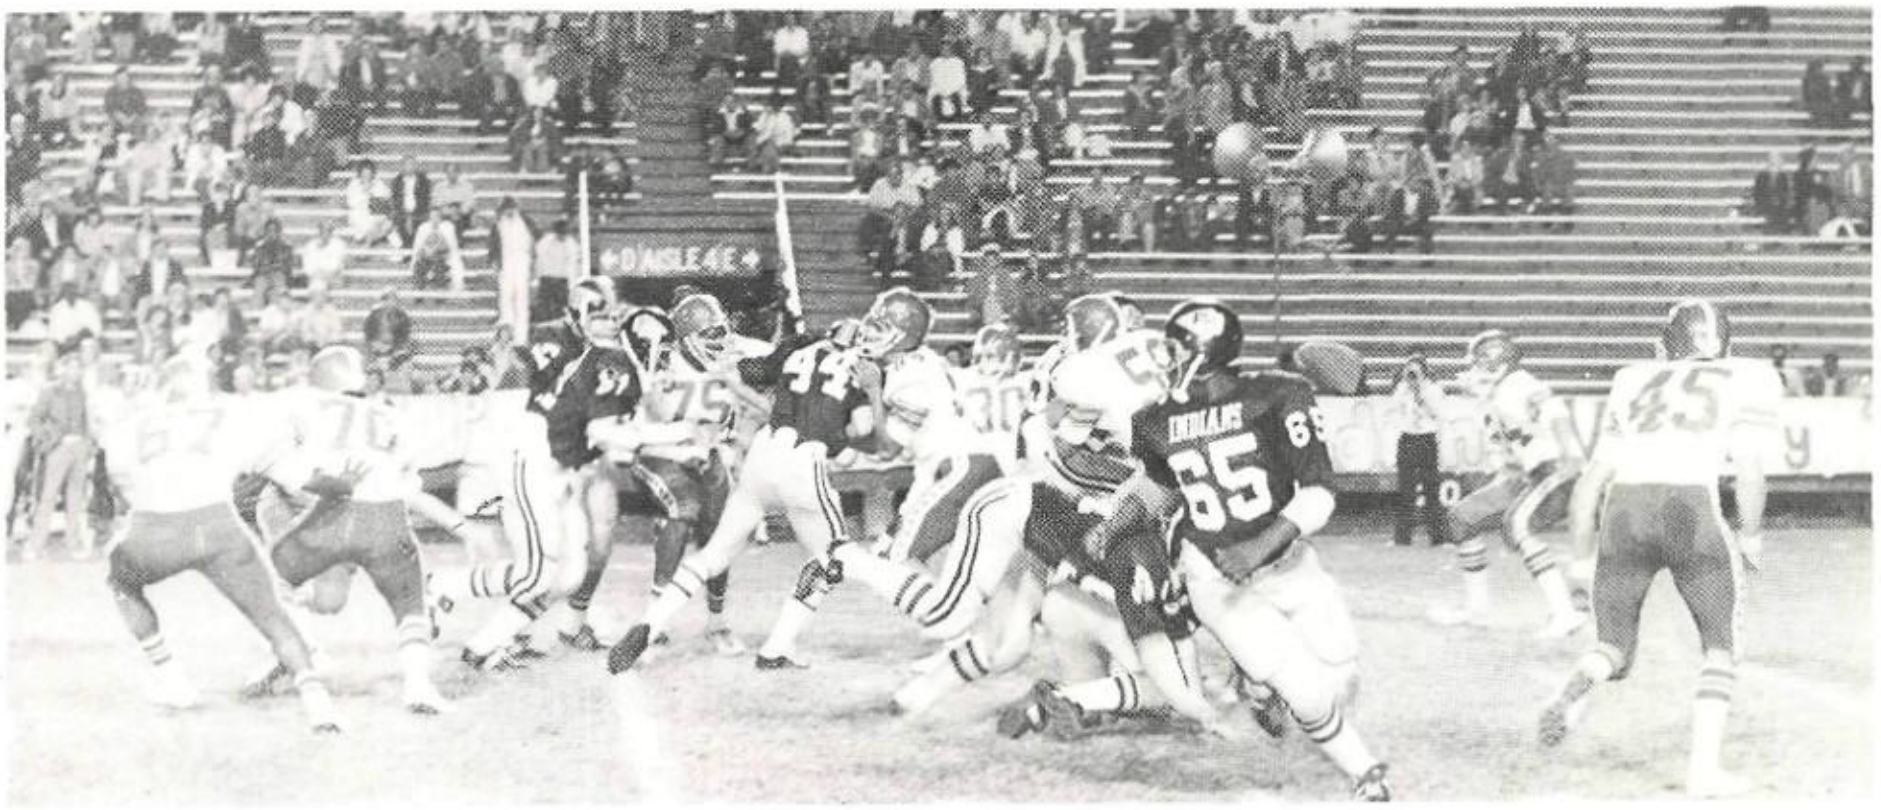
5. so close but so far away. it was a 10-9 loss to tara in the state aaaa championship game. at the half the indians led, built on carroll's 2 yard touchdown run gary fuller's pat kick and a safety when kenny joyner and david adams dropped. tara's best running back in the end zone looked good. but tar came back to win on a late 4th quarter field goal. fair park was denied its second state football title, its greatest season (12-2-1) since that magic year of 52.

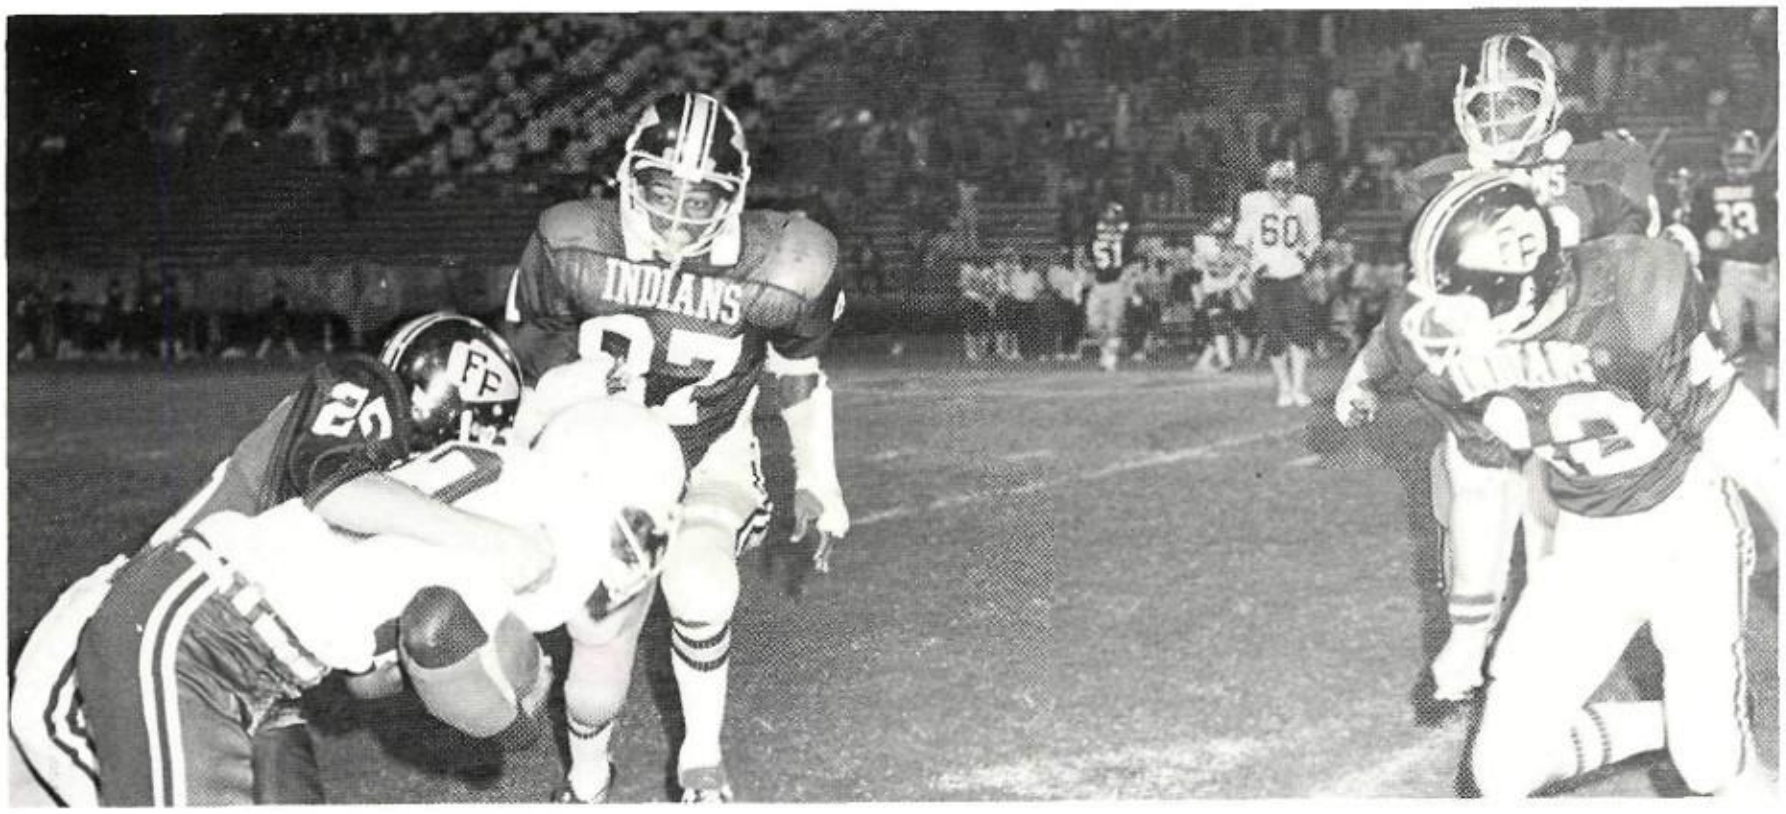
our team

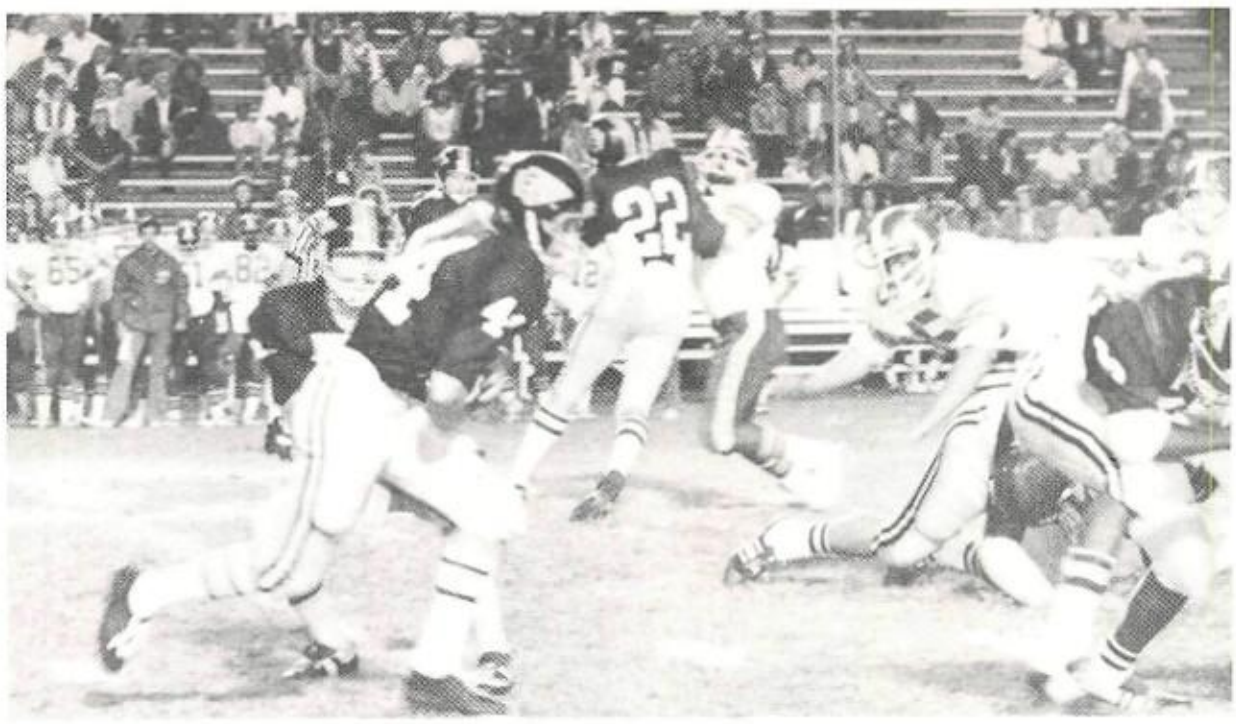
1975

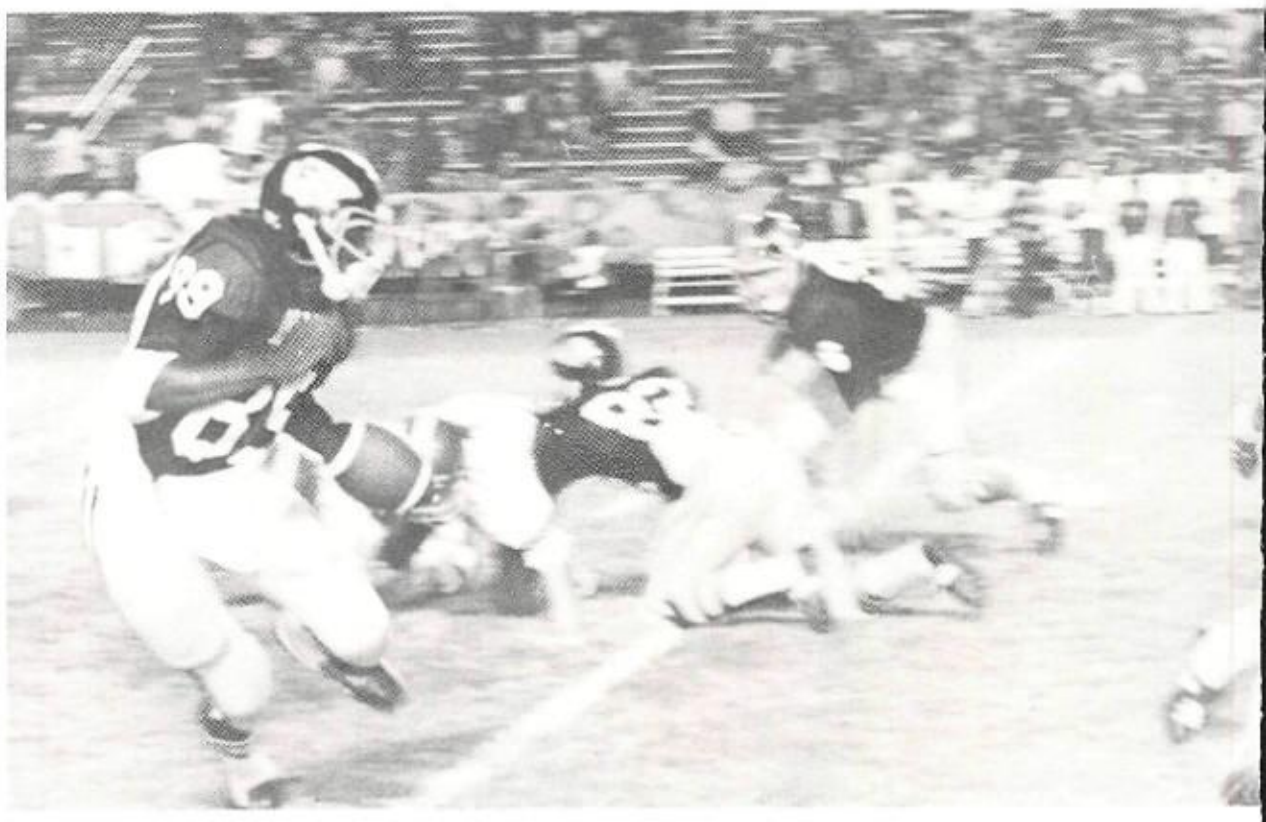


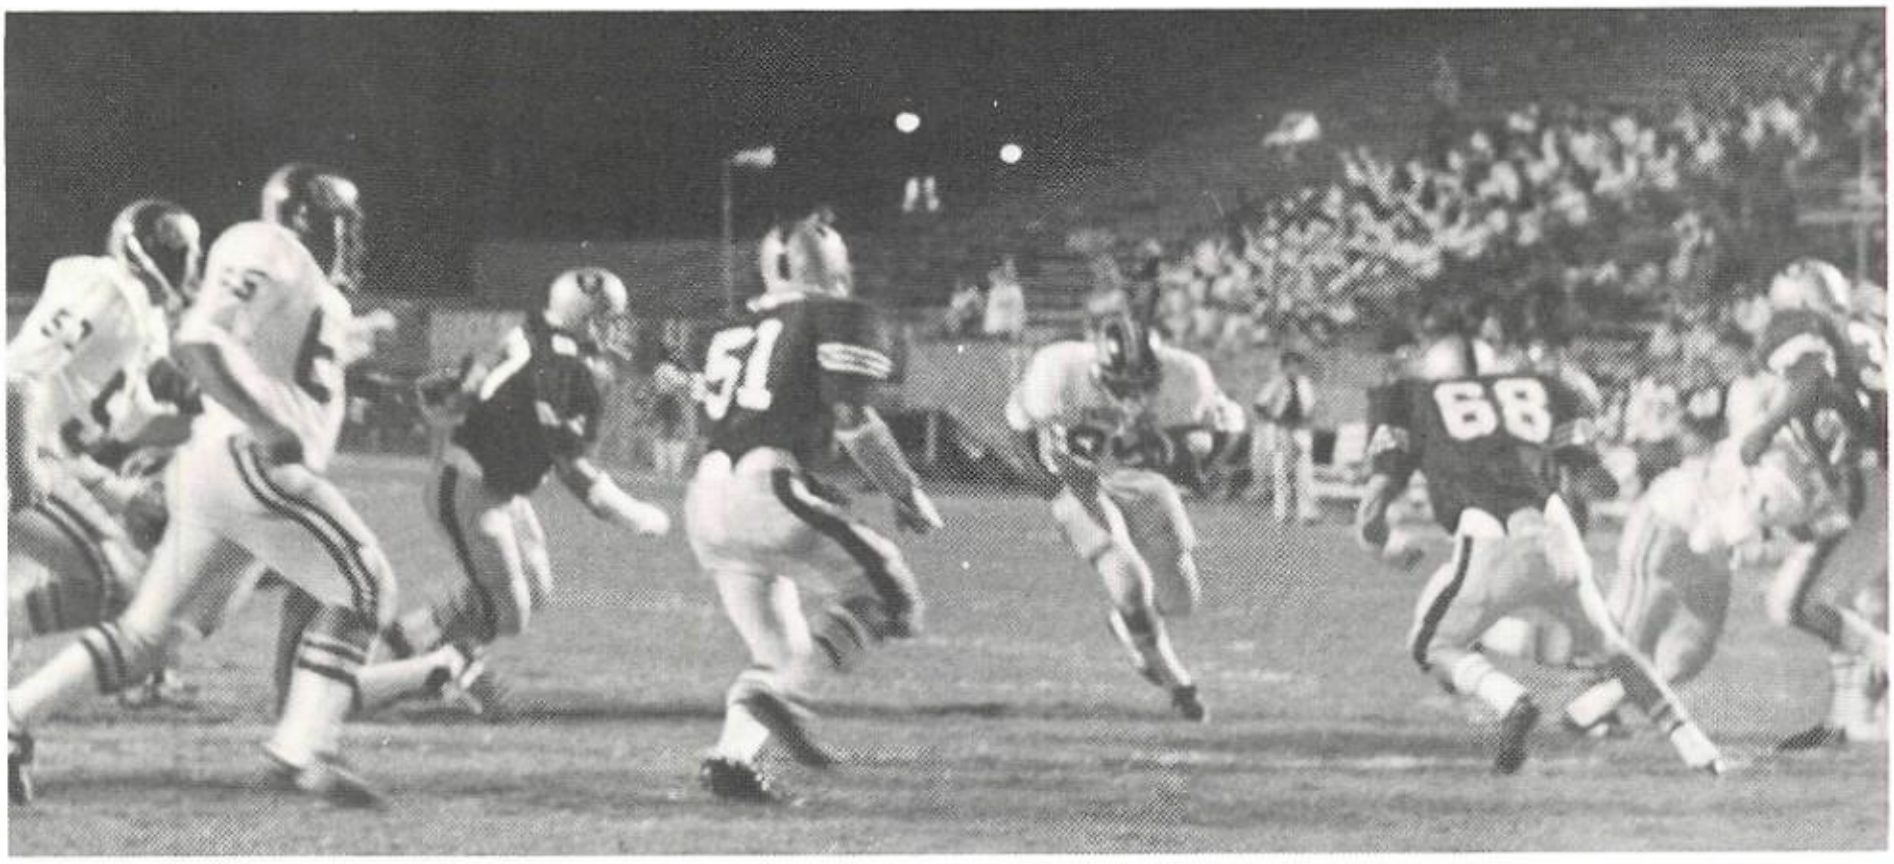


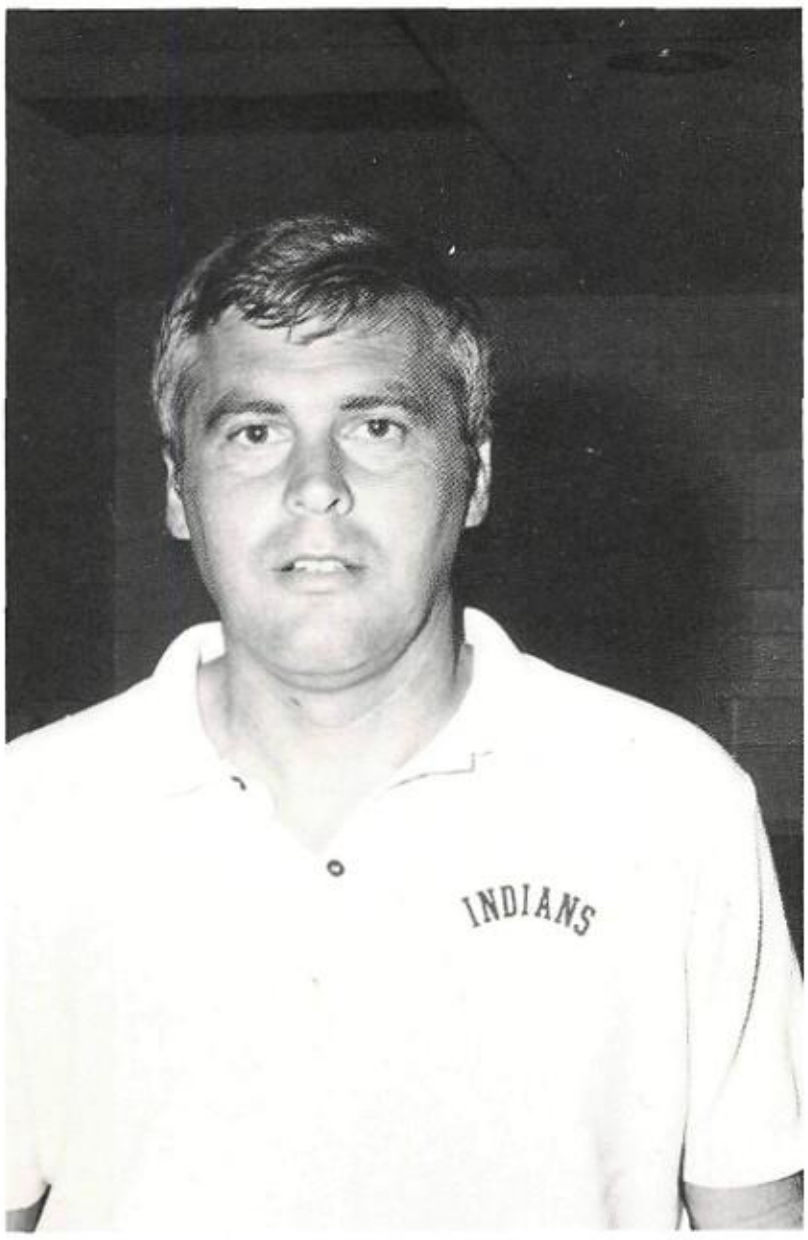












in his second year as head coach of the indian attack, orton changed the teams' style from pass baby pass to run team run . . . early in the season after a great stand our team's defense became known as the "wrecking crew" . . . coach orton brought the team to great power this year as we were ranked in the top 10 of the state's aaaa football teams.

the rotc has been around for a long time, but do you know what it does? the letters stand for the reserve officers training corps. it is a course of instruction designed to give the united states army the numbers of officers it would need in a war emergency. in high school the new junior rotc training curriculum emphasizes personal discipline and citizenship. it teaches military skills such as the manual of arms, map reading and the proper use of weapons. the course is designed to take the mystery and confusion out of the meaning of military service.

sergeant duncan

the most important advantage about the new junior rotc program is the leadership training. before graduation there really is no other place where you can study and practice human leadership. most good jobs today require skillful leaders. the best thing that has ever happened to high school rotc is the addition of the girl cadets with their very colorful uniforms. the whole cadet corps looks great!

enrollment in the fair park rotc battalion this year has gone over two hundred for the first time in many years. lieutenant colonel malone and first sergeant duncan hope the cadet corps will be even bigger next year. the fair park army instructors welcome all ideas, suggestions and questions about the program. they want to "tell it like it is."

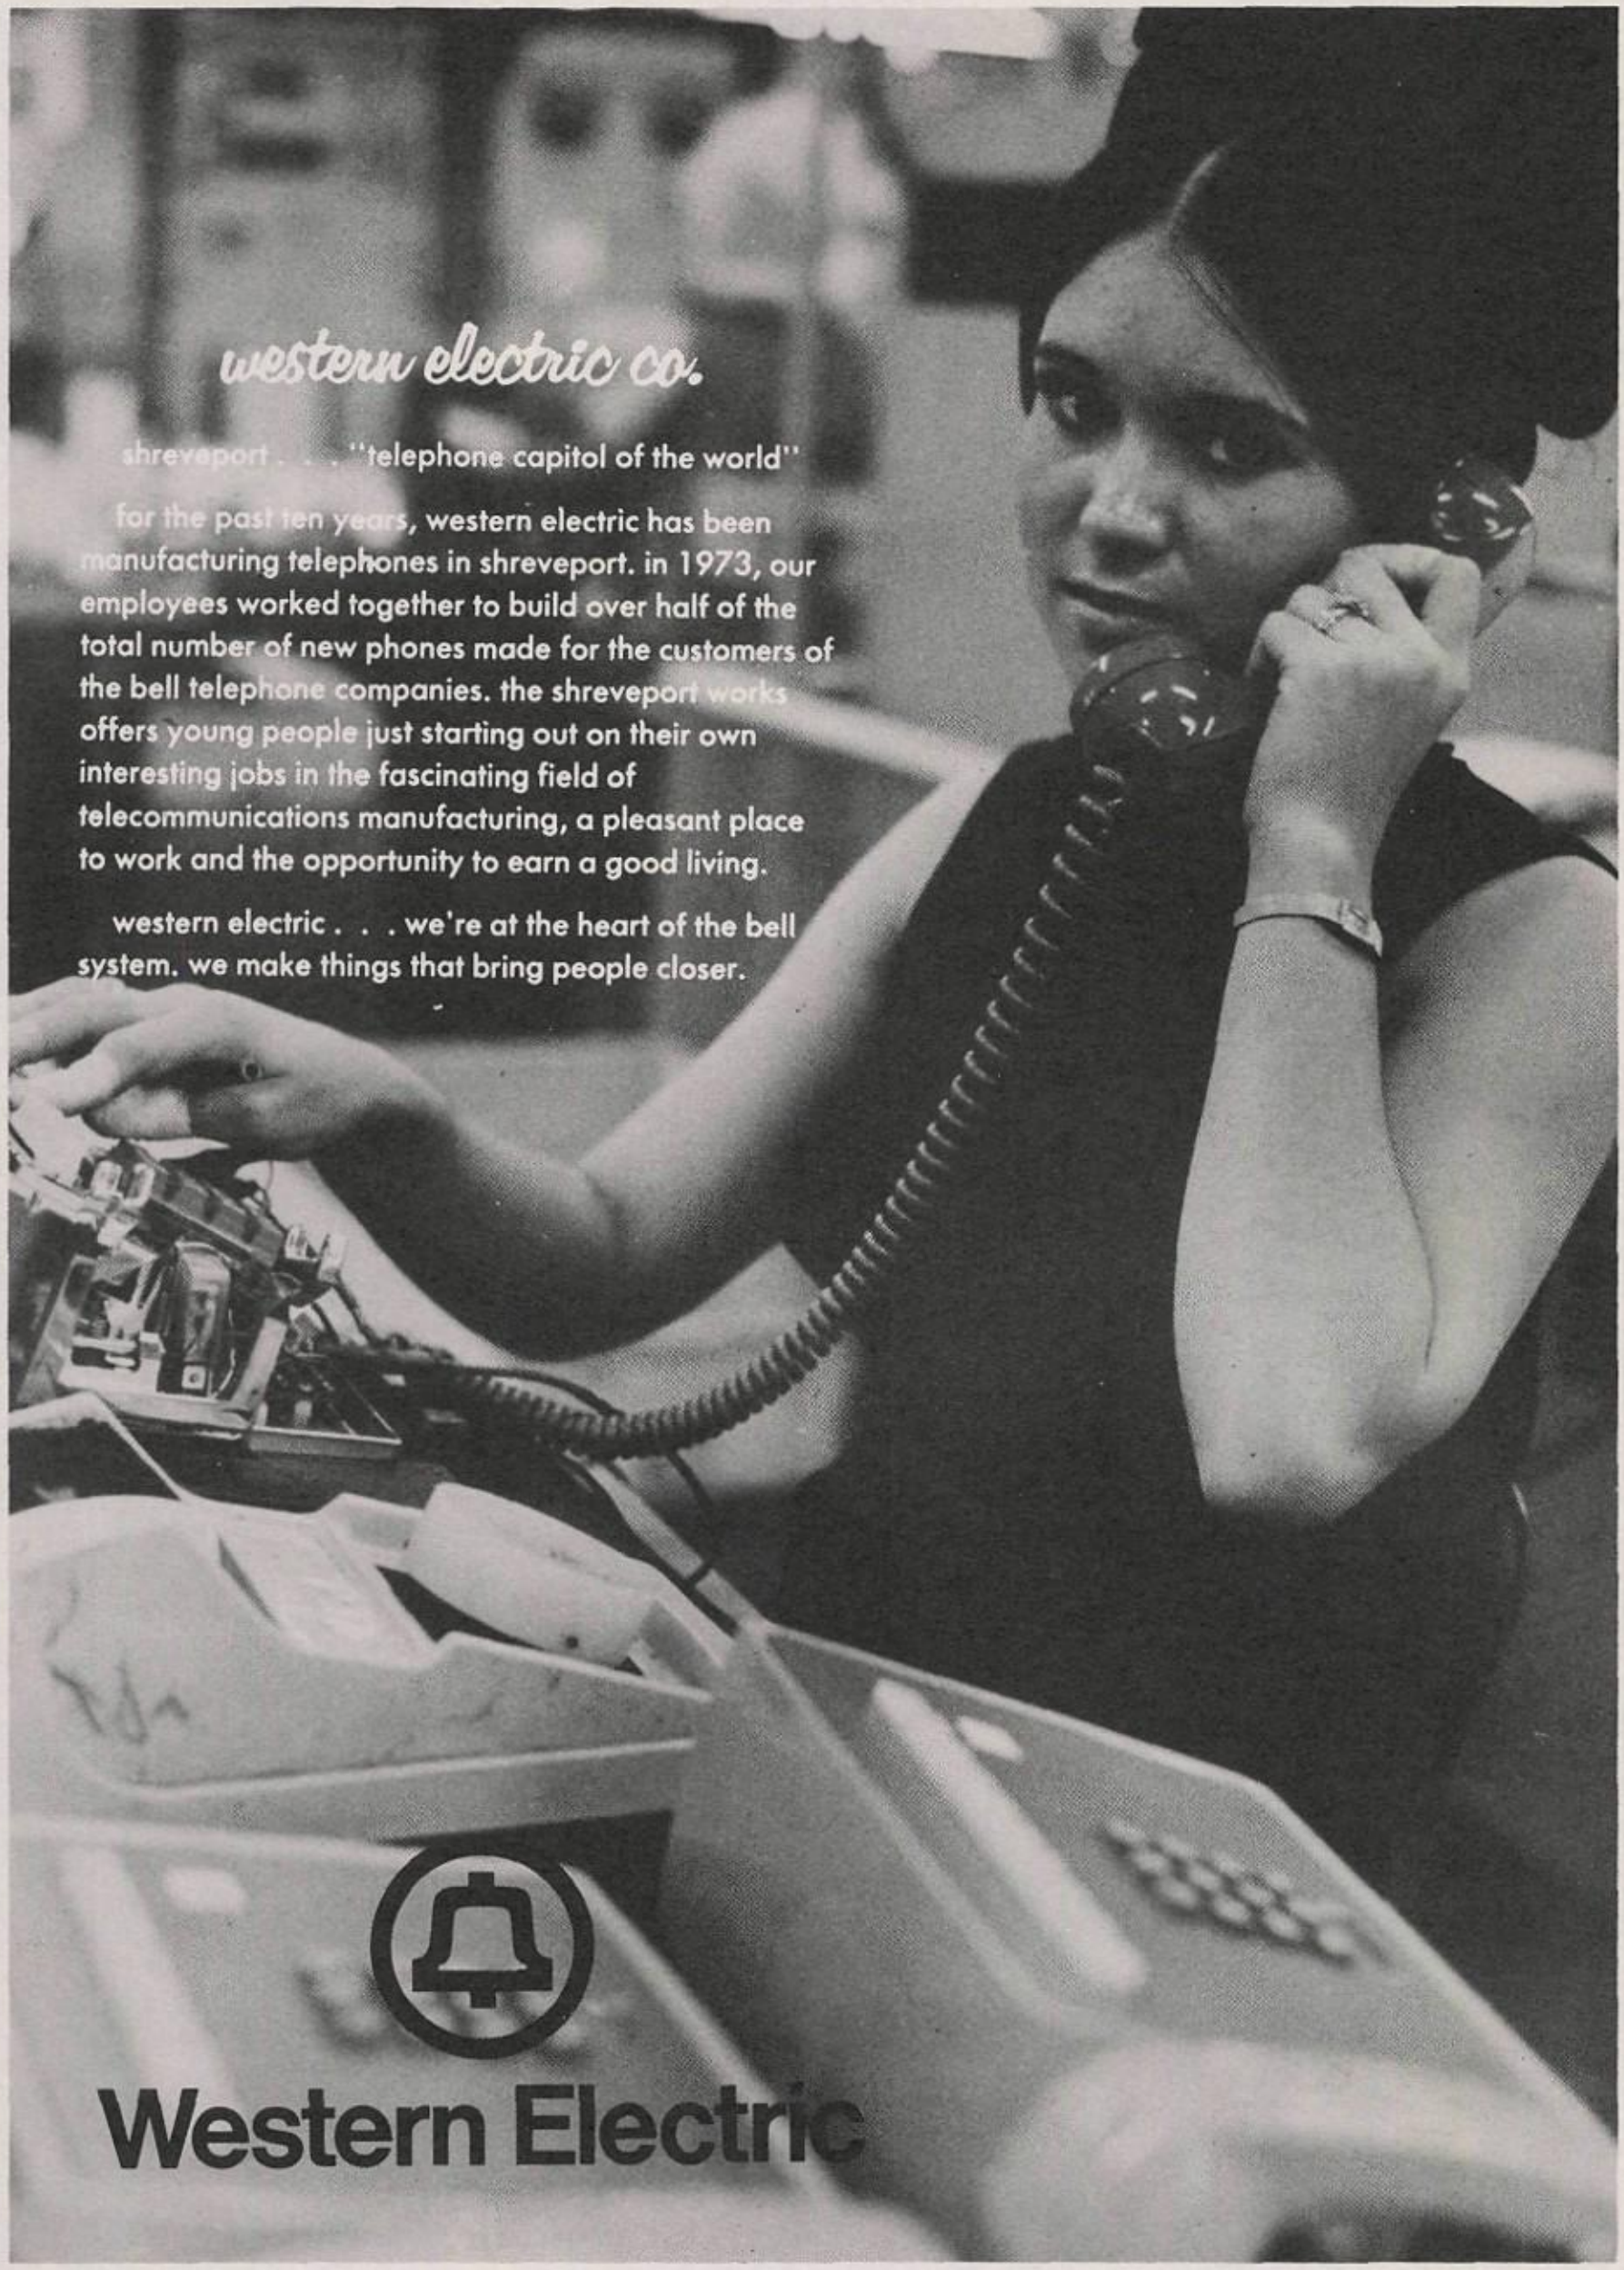
DAVID MOORE DEVELOPMENT CO., Inc.



western electric co.
shreveport . . . "telephone capitol of the world"
for the past ten years, western electric has been manufacturing telephones in shreveport. in 1973, our employees worked together to build over half of the total number of new phones made for the customers of the bell telephone companies. the shreveport works offers young people just starting out on their own interesting jobs in the fascinating field of telecommunications manufacturing, a pleasant place to work and the opportunity to earn a good living.
western electric . . . we're at the heart of the bell system. we make things that bring people closer.
